IMPORTANT INFORMATION

All hires require an installation fee of €50 for pack setups (ex: CDJs + Mixer + Speakers) or €30 for individual hires (ex: 1 x CDJ).

All hires require a damage deposit (varies depending on equipment leased). If you do not want to pay a deposit we have the option of having a technician on site who will take care of it, with rates according to the information in the price section. technician not available for multi-day hires.

For safe of mind we will require an official government ID Card or Passport (Drivers License not valid) which we will keep alongside the damage deposit and return at the end of the lease. You will also be presented with a lease contract which you will need to sign.

Any damage incurred due to mishandling of the equipment will result in damage deposit being lost. Theft of equipment due to negligence will incur a payable amount or like for like replacement as stated in the lease contrat.

We do not condone illegal parties. If you wish to use the equipment in an illegal event we cannot provide our services. Furthermore, if it is deteremined that the equipment has been leased for an illegal event we reserve our right to terminate the lease agreement immediately and remove the leased equipment from the premises and agree to loss of damage deposit.
